Celebration & Induction

Barnaby Ross paid tribute to President **Frank Sgarlata** for his work as president: introducing new members; leading consensus; keeping budget issues on course; establishing a new Key Club; and making the community a better place.

The Walter Zeller Fellowship is an exclusive award dedicated to The Eliminate Project. The Walter Zeller Fellowship honors Walter Zeller, who made the first gift of 25 silver dollars to establish the Kiwanis International Foundation. Barnaby presented the Zeller Award to President Frank for our support of the Eliminate Project.

Bo Fleischman congratulated **Gillian Dugas** for her award of Distinguished Secretary. She was the strong woman behind president Frank - changing the world one child at a time.

President Frank thanked the club for the tremendous learning experience and all the support and guidance in helping him to achieve the Distinguished Club status.

Bo Fleischman introduced **Lt. Governor George Rowell** who thanked members and the executive for all the work to make this such a wonderful club. He thanked Barnaby for his work as Regional Trustee and hopes he stands again. He also thanked Mark Brewer for his work as L.G.

George inducted the new executive (see back page) and brought greetings from Gov. Peter Tudisco. He encouraged us to invite people to our meetings: if not now, when; if not us, who?
