## Special Project

### Visit to Yonge Street Mission

Talk about a hands-on meeting! On January 21st, a number of Club members went to the Yonge Street Mission to see their facilities. Yonge Street Mission, which has been open since 1896 provides services to youth in need. We had a tour of their operation, which consists of a medical clinic, dental clinic, a day care centre, an employment services centre and a kitchen that serves lunch and dinner Monday to Friday to approximately 80 youth. Besides the tour, we assisted in the preparation of lunch, carrying in groceries, serving lunch, washing dishes and having a sample of the excellent meal.

The most interesting part was to see our fellow Club members removing the meat from many crab leg pieces, a donation to the Mission from Red Lobster. It was a wonderful experience to see the Mission in operation and to be able to assist them in providing a very worthwhile service.
