### Excerpt from Etobicoke Community Concert Band "Glorious & Free" Program

"People grow old only by deserting their ideals.

Years may wrinkle the skin, but to give up interest wrinkles the soul.

You are as young as your faith, as old as your doubt;  
as young as your self confidence, as old as your fear;  
as young as your hope, as old as your despair.

In the central place of every heart there is a recording chamber.

So long as it receives messages of beauty, hope, cheer, and courage, so long are you young  
When your heart is covered with the snows of pessimism and the ice of cynacism,  
then, and only then are you grown old.

And then as the ballad says, you just fade away." - General Douglas MacArthur
