

Summer Highlights & Upcoming Programs

Announcements

☛ **Bob Craft** reported that a summer party, given by Margaret and Harold Shipp, was a delight. The weather was perfect and the extensive gardens were beautiful. Thirty nine people attended, enjoying the food and fellowship. We were delighted to see John Alkins, Bob Chapman, and Paul Collings who are unable to regularly attend meetings. Dan Gallo was bartender and Bob Chapman and Paul Collings cooked the delicious burgers. L.G. Mark Brewer and incoming L. G. George Rowell were also present.

☛ **Arthur Scauzillo** announced that scholarships from our contribution to Kiwanis Foundation were given to graduating Martingrove Key Club students. They are Jelena Mitic (Vice-President) \$1000.00, Jelena Balenzada (President and founding member) \$1000.00 and Sharon Aseerwatham (Secretary)

Be sure to attend our first meeting after the summer break!

Light Patrol is an outreach program of Youth Unlimited that responds to the needs of Toronto's homeless and street-involved youth. Since 2001, Light Patrol has been assisting and guiding these vulnerable young people and helping them transition away from the destructive elements of street life. Their motto is "Bringing light into dark places for homeless youth in Toronto".
