Special Presentation

Chelsea, past president, Father John Redmond Catholic Secondary School Key Club reviewed their successes. She is proud of their accomplishments this past year. In October they ran a candy drive for Canada Food for Children. In November they had Karaoke night, and gingerbread making contest, with donations going to the Christmas basket drive. In December the Christmas basket drive supported 19 families. The Key Club wrapped and delivered all the gifts. In March & April they teamed up with the Eco Club to run a clothing swap shop and donated clothing to a shelter.

Ritika, co-president, Martingrove Collegiate Institute Key Club spoke about their successful year. It has made a real difference in her life. In October they did a UNICEF box drive and candy for kids. They ran a successful marathon. The Valentine rose sales included violin playing as part of the delivery. Remembrance Day and Christmas cards were given to veterans. A carnival at Princess Margaret School included games and popcicles. Active Minds helped train seniors to use electronic devices.

Barnaby Ross is impressed by the students - confident that they will be our future leaders.

Community Service

One Can Make a Difference

SUPPORTING THE COMMUNITY

Key Club is the oldest and largest program for high school students worldwide. Today Key Club exists in almost 5,000 high school campuses throughout Canada, the United States, the Caribbean, Central and South America and mostly recently in Asia and Australia.

The organization offers a wide range of opportunities to its members: Leadership development, Service learning, Vocational guidance, Personal enrichment, College scholarships

Our club is very proud to sponsor Father John Redmond's Key Club. This impressive club has over 95 active members who complete fundraising projects throughout the year. Members also operate a breakfast program at their high school 4 days a week which shows their level of commitment and dedication.

At recent Key Club Conferences Fr. Redmond has walked away with armfuls of awards including raising the most money for EC&C Key Club's main project fundraiser.

We are very proud of our newest Key Club at Martingrove High School. Their first year was a great success with Key Club members attending the 2012 Key Club Conference and three members of their executive receiving The Kiwanis Club of Kingsway Humber scholarship of \$2,500 for excellence in leadership and dedication.
