HAPPY ANNIVERSARY

Gillian & André Dugas, December 21

Special Guest

André Dugas introduced **David Amade**, Director of St. Vincent De Paul Camp Ozanam. David has worked for 10 years at the camp and since becoming director has enjoyed meeting sponsors. The \$5,000 donation from Kingsway Humber Kiwanis has been a huge benefit to their archery program as well as new tether ball and basket balls. Summer 2018 was the year of programming. Now with a new dedicated property and new equipment Ozanam runs like a real summer camp. Before, it felt like they were running the camp out of a box.

The new site, near Sundridge, is on 28 acres with a beautiful lake and forests. There are cabins that accommodate 100 boys, many of them from Etobicoke. Plans are underway for a basketball court, a hockey court and extended bike trails.

Bo Fleischman thanked David and is glad that we can partner to impact the lives of kids. He said we may be able to assist in something again.
